

PARK PLACE DAYCARE LTD.

Gradual Entry

We will need you to set up a time with us for your child to do gradual entry. The fee for the gradual entry is \$175. This covers gradual entry only and is not part of your regular fee.

Gradual entry is a graduated start for your child in order to get to the program, other children and teachers.

We have the following times available 8-10 or 9-11.

You must book 5 consecutive days for 2 hours each day.

We will gradually decrease the time you spend with your child during this time to allow them to adjust.

Have a fun gradual entry and let us know of any questions.
